DETAILED ACTION

Allowable Subject Matter

1. Claims 1-9, 11-15, & 17-21 are allowed over prior art of record.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding claim 1, the prior art fails to disclose or make obvious “a storing unit configured to store an ideal patient-specific blood parameter curve being obtained based on said blood parameter that is measured in real time in a blood treatment for said patient prior to said predetermined treatment of said patient” and in combination with the other recited limitations of claim 1. Claims 2-9 are allowed by virtue of dependency on the allowed claim 1.

Regarding claim 11, the prior art fails to disclose or make obvious “obtaining an ideal patient-specific blood parameter curve that is specific to a treatment duration considered ideal for said patient and that is based on said blood parameter measured in real time in a blood treatment to said patient prior to said predetermined treatment to said patient” and in combination with the other recited limitations of claim 11. Claims 12-15 & 17-21 are allowed by virtue of dependency on the allowed claim 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
